We are pleased to announce that Kanadevia Corporation has received the Excellence Award at the "NIKKEI Integrated Report Award 2024," organized by Nikkei Inc. and supported by the Financial Services Agency and the Ministry of Economy, Trade and Industry. This year, 496 companies participated.

Since the fiscal year 2018, our company has been issuing integrated reports aimed at helping stakeholders, including shareholders and investors, understand our efforts in value creation towards realizing our group's long-term vision.

As of October 2024, our company has changed its name to Kanadevia Corporation. With the brand concept of "Taking on the challenge, through the power of technology, to create a world that lives in balance with nature," we are fully committed to addressing the challenges of our customers and the market. This integrated report is the first issued by the Kanadevia Group. We have revamped the design and included insights from our top management, new content, such as explanations of our business model, and various columns. The report is designed to help readers gain a deeper understanding of how our group creates social value and enhances corporate value.

We are committed to fostering meaningful dialogue with our stakeholders and taking your feedback seriously as we strive to enhance our corporate value. We sincerely appreciate your continued support and trust in our group.
